ABOUT ME

Computer Science (AI & ML) undergraduate at SRM Institute of Science and Technology, building hands-on expertise across artificial intelligence, machine learning, and full-stack web development. Skilled in Java, Python, C, and C++, with practical exposure gained through IIT-affiliated internships and self-driven development projects. Motivated to apply technical and analytical skills to real-world problems while growing within the tech and AI community.

EXPERIENCE

- Student Intern — Alcheringa, IIT Guwahati** — Jan 2025 – Apr 2026
 - Completed structured AI/ML training within an IIT-affiliated program, applying core machine learning concepts to guided project work.
- Trainee — InternsElite, IIT Hyderabad** — Dec 2025 – Feb 2026
 - Built a full-stack Task Manager application using MongoDB, Express.js, React.js, and Node.js, featuring JWT authentication, CRUD operations, and REST API integration.
- Student Intern — E-Cell, IIT Guwahati**
 - Contributed to entrepreneurship-focused initiatives, gaining exposure to innovation and early-stage venture processes.

PROJECTS
